Sales transactions	Transaction	282.577	ASCII	/	143 Mb	0,02	5.651,54
Rent transactions	Transaction	154.766	ASCII	/	53 Mb	0,02	3.095,32

* price represents the re-use of geodetic data for commercial purposes and does not include value-added tax (DDV)

In accordance with Act Amending the Public Information Access Act, Surveying and Mapping authority charges data from Land Cadastre, Building Cadastre, Real Estate Register, Real Estate Market Records and Orthophotos for commercial purposes from "[Price list for re-use of geodetic data for gainful purposes](#)".

If in the process of data preparation material costs arise, they are calculated in accordance with [unified bill of costs from the Catalog of public information](#), which is published on the website of the Surveying and Mapping Authority of the Republic of Slovenia.

Other geodetic data, not specified in the table is free of charge available at [Portal Prostor](#).
